Em
Am        Em      C7    Am    C7    Am
Em        Am
```

```
                   C
I just wanna say
             G
I haven t been away
         Am                      C
I m still right here
                        G        Em
where I always was
              Am                         C
so one day, if you re bored
               G
by all means call
                          Am              C
because you can do
                    D
but only if you want to
Em
Am        Em      C7    Am    C7    Am
Em
Am        Em      C7    Am    C7    Am
Em        Am
```

```
                   C
I just wanna say
             G
I haven t been away
             Am                      C
I am still right here
                        G        Em
where I always was
                 Am                              C
so one day, when you re bored
              G
by all means call me
                        Am            C
because you can do
                   D
but you might not get through
Em
Am        Em      C7    Am    C7    Am
Em
Am        Em      C7    Am    C7    Am ...(fade out)
