

**My Dearest Love**  
**Morrissey**

Morrissey/Whyte

**Fm**                      **Hm**  
These tears I m wailing  
**Fm**                      **Hm**  
I spill not without reason  
                         **D E**                      **Fm Hm**  
Remove them my      dearest love  
**D E**  
my...

Take me, to the place I ve been dreaming of  
Where the grotesquely lonely meet the grotesquely lonely  
And they whisper  
Just very softly  
Please be mine Dearest Love  
Be my dearest love  
Be my dearest love

The Na-na-na part:

**A - Hm - D - Hm - Em** (add d at the end)

Same chords as in the beginning:

I have hung on , hung on, hung on for one hundred years  
For someone to shake me someone to wake me  
If necessary someone to break me  
My dearest love...
