

Something Is Squeezing My Skull
Morrissey

First Song off the new album Years Of Refusal

Amazing song amazing album
BUY IT

intro

G C Em C

Am F

im doing very well

Am F

i can block out the present and the past now

Am F

I know by know you think i should have straightend myself out

G

thank you drop dead

chorus:

G C

Oh Something is Squeezing my SKULL

Em

Something i can barley Describe

Ther is no love in

C

modern life

Verse 2:

Am F

im doing very well

Am F

its a mirical iv even made it this far

Am F

the motion of taxis exites me

G

when you peel it back and bite me

chorus:

G C

Oh Something is Squeezing my SKULL

Em

Something i can barley Describe

Ther is no love in

C

modern life

G

Oh Something is Squeezing my SKULL

Em

Something i can barley Describe

No True friends in

D

modern life

Am

Em

F

diazepam thats valium ...tarmazepam...lithium

Am **Em**

D

HRT...ECT...How long must I stay on this stuff?

G

dont give me any more

dont give me any more

C

dont give me any more

dont give me any more

Em

please dont give me any more

dont give me any more

C

dont give me any more

G

Please dont give me any more

thats it basically

most of the chords are played as power chords

for instance

e		-----	
B		-----	
G		-----5--9--7-----	
D		-5--7--5--9--7-----	

```

A|-5--7---3--7---5-----|
E|-3--5-----|
  G  Am  C  Em  D

```

and alot of them are played in octaves
