D#m C# A#m G#
Spent the day in bed very happy I did, yes
D#m C# A#m G#
I spent the day in bed as the workers stay enslaved
D#m C# A#m G#
I spent the day in bed I m not my type, but
D#m C# A#m G#
I love my bed and I recommend that you

F# G# D#m
Stop watching the news!
F# G# D#m
Because the news contrives to frighten you
F# G# D#m
To make you feel small and alone
F# G# A#
To make you feel that your mind isn t your own

D#m C# A#m G#
I spent the day in bed it s a consolation
D#m C# A#m G#
When all my dreams are perfectly legal
D#m C# A#m G#
In sheets for which I paid I am now laid
D#m C# A#m G#
And I recommend to all of my friends that they

F# G# D#m
Stop watching the news!...

C# G#m D#m
Oh time, do as I wish time, do as I wish

C# G#m A#
Oh time, do as I wish do as I wish

D#m C# A#m G#
I spent the day in bed you can please yourself

D#m C# A#m G#
But, I spent the day in bed pillows like pillars
D#m C# A#m G#
Life ends in death so, there s nothing wrong with
D#m C# A#m G#
Being good to yourself be good to yourself for once!

D#m C# A#m G#
And no bus, no boss, no rain, no train

D#m C# A#m G#
No emasculation, no castration
D#m C# A#m G#
No highway, freeway, motorway

D#m C# A#m G#
And no bus, no boss, no rain, no train
