

**That's How People Grow Up**  
**Morrissey**

**Em** **C**  
I was wasting my time

Disappointment came to me and  
**G** **B**  
Booted me and bruised and hurt me

Chorus:

Looking for love  
**Em** **C**  
Someone must look at me

and see their sunlit dream

**Em** **C**  
I was wasting my time  
**Em** **C**  
Praying for love  
**Em** **C**  
For the love that never comes from

Someone who does not exist and

Let me live before I die  
**D** **F#** **D** **C - C - C - C - C - C - C - C** **B - B**

Always thinking about myself  
**Em** **C**  
Someone on the deathbed said  
**F** **B ( a-g-f# )**

There are other sorrows too

**Em** **C**  
I was driving my car

**Em** **C**  
I crashed and broke my spine

**Em** **C**  
So yes, there are things worse in life than

**G** **B**  
Never being someone's sweetie

Chorus (x2)

**G** **C#** **B**  
As for me I'm ok

**D** **F#** **D** **C - C - C - C - C - C - C - C - C B**
