Morrissey " There Is a Light That Never Goes Out

The other tab on here had the right chords but too hard to follow. Here is my version,
sounds good to me. I took my time to line it up so that its easy to follow.
Please give
good rating. Thanks

Am	F	C G	Am
Take me out tonight		where there s music and there s people	
	F	C G	
who are young and alive			

Am	F	C	G
Driving in your car	I never never want to go home	because I	
Am	F	C G	
haven t got one	anymore		

Am	F	C G	Am
Take me out tonight		because I want to see people and I	
	F	C G	
want to see lights			

Am	F	C
Driving in your car	oh please don t drop me home	
G	Am	

because it s not my home, it s their
home, and I m welcome no more

Chorus:

And if a double-decker bus crashes into us
to die by your side such a heavenly way to die
And if a ten ton truck kills the both of us
to die by your side the pleasure the privilege is mine

Take me out tonight take me anywhere, I don t care
I donâ€™t care, I donâ€™t care

And in the darkened underpass I thought Oh God, my chance has
come at last but then a strange fear gripped me and I just
couldn t ask

Take me out tonight Oh take me anywhere, I don t care
I donâ€™t care, I donâ€™t care

Driving in your car I never never want to go home because I
haven t got one oh, I havenâ€™t got one

Chorus:

And if a double-decker bus crashes into us
to die by your side such a heavenly way to die
And if a ten ton truck kills the both of us
to die by your side the pleasure the privilege is mine

There is a light and that never goes out
There is a light and that never goes out
