Morrissey " There Is a Light That Never Goes Out

The other tab on here had the right chords but too hard to follow. Here is my version,  
sounds good to me. I took my time to line it up so that its easy to follow.  
Please give  
good rating. Thanks

<b>Am</b>		<b>F</b>	<b>C G</b>		<b>Am</b>
Take me out tonight				because I want to see people and I	
		<b>F</b>	<b>C G</b>

<b>Am</b>		<b>F</b>		<b>C</b>
Driving in your car		oh please don t drop me home		
<b>G</b>		<b>Am</b>		

because it s not my home, it s their  
home, and I m welcome no more

Chorus:

And if a double-decker bus crashes into us  
to die by your side such a heavenly way to die  
And if a ten ton truck kills the both of us  
to die by your side the pleasure the privilege is mine

Take me out tonight take me anywhere, I don t care  
I donâ€™t care, I donâ€™t care

And in the darkened underpass I thought Oh God, my chance has  
come at last but then a strange fear gripped me and I just  
couldn t ask

Take me out tonight Oh take me anywhere, I don t care  
I donâ€™t care, I donâ€™t care

Driving in your car I never never want to go home because I  
haven t got one oh, I havenâ€™t got one

Chorus:

And if a double-decker bus crashes into us  
to die by your side such a heavenly way to die  
And if a ten ton truck kills the both of us  
to die by your side the pleasure the privilege is mine

There is a light and that never goes out  
There is a light and that never goes out
