

Listening

Morten Harket

Bm **C** **C#m**
See the tension in your face

C **Bm**
Feel the nerves when we embrace

C **Bm**
What emotions do you hide?

C **C#m**
All those years of silent thought

C
Betrayed by those whose help

Bm
You sought

C **Bm**
Exiled, lost and forced inside

A **F#m**
If you want me

G **D**
I will listen to your words

Bm **F#m**
The dreams you have deferred

E
The battles fought

A **F#m**
If it helps to

G **D**
Take me to those dark extremes

Bm **F#m**
The meaning of your dreams

E
The way you ve thought

Just talk

A **E** **F#m** **A** **E**
I m listening

Just talk

Bm **C** **C#m**
I know your tastes in food and wine

C **Bm**
But never really what s on your mind

C **Bm**
What s going on inside your head?

Bm **C** **C#m**
I hear you say what you can or can t

C **Bm**
I m never sure what it is you want
C **Bm**
There s always something left unsaid

Bm **C** **C#m**
We ride the waves of joy and fear
C **Bm**
I see you on the brink of tears
C **Bm**
I never know how you ll react
C **C#m**
Then the sudden laughter rings
C **Bm**
The sun is shining, life begins
C **Bm**
Happiness could be a fact

A **E**
I will listen to your hopes
F#m
I will listen to your dreams
E **F#m**
Anything you want to be

I will listen to you now
F#m
Then again and all the while

I wanna see you smile again
E
Oh, yeah
