Tuning: Standard

**G** 355433

**C** x3555x

**D** x5777x

**Em** x79987

Intro:

 $G - C - D \times 2$ 

G C D

The world outside my window

G C D

Dig holes into my brain

G C D

And all the ones before us

G C I

Left nothing but their names

Em C G D

And all of us are broken

Em C D

And all of us in pain

Em C G D

Though some of us have spoken

Em C D

We ll never speak again

The world outside my window Dig holes into my brain And all the ones before us Left me with nothing Nothing but their names

And all of us are broken
And all of us have pain
Though some of us have spoken
We will never speak again
