[Intro]

**F G Am C**

[Verse 1]

**F** **G**  
Caught up in the static and noise

**Am**  
Somehow I had lost Your voice

**C**  
I was spinning out of control

**F** **G** **Am**  
But You were always there, waiting patiently

**C**  
You are never far away from me

**F** **G** **Am**  
I am still Your own, even when I waver

**C**  
I am not too far away

[Chorus 1]

**F** **G**  
Oh, Jesus is running to me, running to me, yeah

**Am** **C**  
Oh-ohh, Jesus is coming for me, coming for me, yeah

**F** **G**  
Oh, my Savior is calling my name, calling me free

**Am** **C**  
Jesus will never give up on me

Never give up on me
