Where do you go? When you?re demons do possess you
What do you do? When you feel you cannot continue
Why is it so hard? To get through to you
Why can?t I try? Hard enough for our values?

D Ai **A** **E**

And when we go away?The hard floor of the motel,
And we argue about?Why we didn?t get a hotel,

D Ai **A** **E** **D**

And if it?s alright?You?ll piss me off, oh well,
Ai A E

Coz you?re sun has set on me, and I?m living in hell.

What can I think? When I see it?s you, running around.
What can I wish? If I failed again, and it?s you putting me down.
What is a wish anyway? Is it my own failed dreams again?
What is the sky pulling for? When it?s pulling me down.

D Ai **A** **E**

And when we go away?The hard floor of the motel,
And we argue about?Why we didn?t get a hotel,

D Ai **A** **E** **D**

And if it?s alright?You?ll piss me off, oh well,
Ai A E

Coz you?re sun has set on me, and I?m living in hell.

So why should I stay? When all I do is die
This is my last word?.A solemn statement of good bye
