~~~~~

Okay in my opinion this is one of the best songs Andy wrote  
It was recorded at Andrew s home Winter 1984

I took it from the CD : IN MEMORY OF ANDREW WOOD - WORDS AND MUSIC  
COMMUNICATION#1  
wich also features temple of the dog demos (Recorded in 1989),Malfunkshun

- The first thing you gotta do is tune your guitar down half a step

note : listen to the cd for the exact timing!
