Mother Mother
[Intro] B Bm/E G#m
       B5 B7 B
[Primeira Parte]
I ve been ghosting
B/E
                         D#
  I ve been ghosting a long
G#m
         в
Ghost in your house
Ghost in your arms
                                            D#
                    B/E
When you re tossing, when you turn in your sleep
It s because I m ghosting your dreams
[Pré-Refrão]
              F#
And this is why I have decided
To pull these old white sheets from my head
                  F#
I ll leave them folded neat and tidy
So that you ll know I m out of hiding
E B7
Yeaahh
[Segunda Parte]
I ve been ghosting
                     D D#
  I ve been ghosting a long
G#m
Ghost in the world, ghost with no home
          B/E
I remember, I remember the days
          В
When I d make you oh so afraid
[Pré-Refrão]
```

```
And this is why I have decided
To leave your house and home unhaunted
                 F#
You don t need poltergeists for sidekicks
 You don t need treats
[Refrão]
And you don t need tricks
             F#
You don t need treats
You don t need tricks
You don t need no Halloween
              Ε
You don t need treats
              F#
You don t need tricks
                    B B/E D D# G#m B E
And you don t need me
( B B/E D D# )
[Ponte] C#m

Неу
                       Am6
Would it be so bad if I stayed?
I m just a ghost out of his grave
And I can make love in my grave
I won t put white into your hair
I won t make noises in your stairs
I will be kind and I ll be sweet
If you stop staring straight through me
[Pré-Refrão]
               F#
And this is why I have decided
To pull these old white sheets from my head
                   F#
```
