I made a wreck out of my hand
I put it through the wall

Call me a reckless wrecking ball

And give it all I got

I aim to break not one, but all
I m just a big old wrecking ball

I am unruly in the stands

I am a rock on top of the sand

A

I am a fist amidst the hands

And I break it just because I can

G

It takes a dedicated hand
To put it through the wall

D

You got to want to break the hearts
Of all those pretty porcelain dolls

You got to see the artistry
In tearing the place apart with me, baby
