

Four Walls

Mother Superior

mother superior - for walls (Eb)

VERSES; **Em, Am, B7**

four walls surround s me
four walls of pain
four walls around me and
THEY ALL KNOW YOU RE NAME

i m tired of tryin
and i know i m not to blame
but i m stuck inside
these four walls again

CHO: **Am, Em, B7, Em**

i got for walls ahead of me
four walls behinde me
four walls are strangeling
my worried mind

for walls around me
i got nowhere to go
rain falls down on this weary town
lonesome...

cried out for mercy
no body came
stuck inside these
four walls again
