

**Wreck Of A Man
Motherfolk**

[Verse 1]

G Am Em
Part of me is gone

G/F#

Lost like you couldn't imagine

G Am Em G/F#
But I keep holding on by fear

G Am Em G/F#
A fury pulls me in, just to exhale a whisper

G Am Em
I've never heard something more alone

[Prechorus]

G Em C G Em
And all inside, I pull apart the pieces I used to hide

[Chorus]

C G Em D
I'm a wreck of a man, won't you save me?

C G Em D
Wrestled all I can, won't you name me?

C Em D
I'm a wreck of a man

C Em D
I'm a wreck of a man

[Verse 2]

G Am Em
There burned in me a flame

G/F#

One that no man could extinguish

G Am Em G/F#
I lost it on the way to you

My memory draws a face

Sometimes I swear I can see it

G Am Em
I've never seen something more alone

[Prechorus]
