In this world
made of myth,
The rules change with every beat
There s magic
in the air,
Cos here the gods hear your prayer.

Come act your dream in mindstreet.
Do what you want, go where you please.
Kick the devil in his B s
Stop living on your bleeding knees.

the rest of the song follows the same....

Will... not give up, they say,
This is the way to Serendip.
Close your eyes,
learn to breathe,
The oceans are just a few thoughts deep.

Believe me... not in me,
The messenger is rarely worth it.
If you wanna trip, go inside
Where the secrets of the universe hide.
And this is how, it s meant to be
The journey is the way you pay the fee.

Come act your dream in mindstreet.
Do what you want, go where you please.
Kick the devil in his B s
You don t have to live on your knees.

Keep coming back, oh yeah
Human kind has always sensed this track.
Feels better everytime,
To know, that we all are divine

hope this helped....its a great song...cheers to motherjane...
