D **G**
I d like to tell you all my bad ideas,
D **G** **A D**
I hang them with the good to dilute the awful truth

I ve been asleep for nearly fifteen years,
D **G** **A D**
All the dreams i ve ever had outweigh the life i m not yet livin
G
I ve felt along the walls of here and there,
D **G** **A D**
But nothing ever seemed quite right,so i kissed off into the night
G
There was a thought,there was a bleeding thread
D **G** **A D**
But nothing ever lasts that long within the confines of my head

(Chorus)

D **G** **D**
I m here to tell ya im not ok
G **A**
And all those things you can never say out loud
D **G** **A D**

I want to know if there was anyone you ever believed in more than me
