**Db**

I m still frustrated from last night

**Ebm**

**Bbm**

**Ab**

Things happened at half-time, I m sick of the bends

**Db**

My panic research was no help

**Ebm**

**Bbm**

I sink into myself

**Ab**

**Gb**

Afraid of the fall that never ends

**Ab**

**Bbm**

**Gb**

I wait, but I m too tired to play pretend

**Bbm**

**Db Ebm Bbm Ab**

I suffocate until the end

No time for half-hearted goodbyes,

I turn on the spotlight and flee from the scene

Cheap flights from Paris to Bangkok, I thought it was nonstop

Can t sleep on the KLM again

I haunt the halls of medicine at night

Choking back the urge to fight

Her cat was clawing the floorboards just outside of our door,

The panic begins

I searched the whole damn apartment from ceiling to carpet

No sign of the things she used to own

As autumn turns its back on me again

I climb the walls for oxygen

**Gb Ab**

**Ebm**

**Bbm**

My body aches, it heaves, it shakes

**Gb**

**Ab**

All summer sounds so caught up

**Ebm**

**Bbm**

**Gb**

And I still don't know exactly who I am

**Ab**

I never will, amen.

Repeat the first part of the verse for this part (Db, Ebm, Bbm, Ab)

She whispers something in my ear, the message is unclear

She motions outside.

I trail her closely from behind

She tries hard not to cry

She shakes underneath the pouring rain

Repeat the second part of the verse here (Gb, Ab, Bbm)

I can't compete with all your damn ideas

This isn't working out for you and me

The truth is I'm too tired to play pretend

**Gb**

**Ab**

**Db**

This is goodbye, this is the end.
