This Is For Real
**Motion City Soundtrack**

My first song chords. Corrections are welcome, but I m sure I got this about 99%

correct. I know there s no guitar in the first verse, but you gotta have filler
if you re singing.

Power chords, if you aren t sure:

```
      E   A   B   C#  G#  F#  C
e|-------------------------------|

D|-----------------------2-6---6-6-6-6-2-4-6-4-2---|
A|---------------0-0-0-2-4------------------------|
E|---0-0-2-4-0-----------------------------------|
```

Verse I

```
 E                     A
I ve got emotion dripping out my pores
    E                         A
And I thought I would let you know
 E                         A                           E
You are the night light ripping through my wicked world
              A
How you make it sparkle and glow
```

Pre-Chorus I

```
 B               A
Before I lose control
          C#                    B
There s just one thing you should know
```

Chorus I

```
          E      A          G#
This is for real, this time I mean it
 A        E          A       F#
I m coming clean, please don t let go
   B              E              A          G#
I said from the start that you could take it or leave it
  A             E       A       F#
Prefer that you keep it, don t let go
        B
Don t let go, don t let go
```

Post-Chorus I

E - **A** x2

Verse II

```
E                         A
I had some night pills crawling up my skin and bones
E                 A
I nearly did explode
E                       A                       E
You smote the demons, gave me back my feelings
                   A
Now I am good to go
```

Pre-Chorus II

```
 B                       A
Before my face hits the floor
           C#                   B
There s just one thing you should know
```

Chorus II

```
             E       A           G#
This is for real, this time I mean it
 A          E         A       F#
I m coming clean, please don t let go
   B             E                A        G#
I said from the start that you could take it or leave it
  A           E       A       F#
Prefer that you keep it, don t let go
          B
Don t let go, don t let go

Bridge I ???

            E         A       C#   B     E    A   C#
This is the best thing that I ve ever had for real
 B           E         A       C#   B     E   A   C#    B
This is the best thing that I ve ever had for real

A  x8  C  x8

 B       A                       C#        B
For a physical challenge I m notoriously bored
 B           A           C#            B
Intravenous delivery, electrolytes and more
 B                   A
Every time its the same routine
            C#                  B
Out with the bad, in with the clean

  B               A
Before I lose all motor skills
       C#                    B
There s one thing you should know

Chorus III

            E       A           G#
This is for real, this time I mean it
 A          E         A       F#
I m coming clean, please don t let go
   B             E                A          G#
I said from the start that you could take it or leave it
  A           E       A       F#
Prefer that you keep it, don t let go
          B
Don t let go, don t let go
```

Outro

```
            E          A        C#      B       E    A    C#
This is the best thing that I ve ever had for real
 B          E          A        C#      B       E    A    C#
This is the best thing that I ve ever had for real
 B          E          A        C#      B       E    A    C#
This is the best thing that I ve ever had for real
 B          E          A        C#      B       E    A    C#   B
This is the best thing that I ve ever had for real
