Motion City Soundtrack - Worker Bee

Capo/Tuning where/how you think it fits, I play it in standart tuning

**G**                    **Em7**                    **Cadd9**                    **Dsus4**  
It s been a good year, a good new beginning  
**G**                                    **Em7**                                    **Cadd9**                    **D**  
I m through with the old school, so let s commence the winning  
**Em**                    **Cadd9**                    **G**                    **Dsus4**  
I ve been a good little worker bee  
   **Cadd9 D**  
I deserve a gold star

**G Em7 Cadd9 Dsus4 G Em7 Cadd9 Dsus4**

**G**                    **Em7**                    **Cadd9**                    **Dsus4**  
Gone are the glad hands, the black holes and liars  
**G**                    **Em7**                    **Cadd9**                    **D**  
The constant companions of noxious suppliers  
**Em**                    **Cadd9**                    **G**                    **Dsus4**  
Carnivore kings milking holiday sins  
   **Cadd9 D**  
Comas in cash--mere

**G**                    **Em7**                    **Cadd9**                    **Dsus4**  
It went from no good to fucked up and over  
**G**                    **Em7**                    **Cadd9**                    **D**  
A total distortion of lifelong disorders  
**Em**                    **Cadd9**                    **G**                    **Dsus4**  
Barreling headfirst, through fresh open wounds  
   **Cadd9 D**  
This I was not used to

**Em7**                    **G**                    **Cadd9**                    **D**  
Now that my words don t quite do what they should  
**Em7**                    **G**                    **Cadd9**                    **D**  
Now that old wounds are resurfacing too  
**Em7**                    **G**                    **Cadd9**                    **Dsus4**  
It makes me feel golden, it makes me feel good

**G**                    **Em7**                    **Cadd9**                    **Dsus4**  
It s been a good year, a good new beginning  
**G**                                    **Em7**                                    **Cadd9**                    **D**  
I m through with the old school, so let s commence the winning
