

Watersound
Motorpsycho

D
You dove and you float
D G
in the afterglow
D
the night felt so right
G D
let you go

G D
breathing light
G D
breaking light

D
who wouldve thought that I see you like this
D
you never told me bout the sights that I ve missed
D G
now you re everywhere
D
damn all your faults, I cant see them no more
D
you bled right open, I can see to your core
D G
and its beautiful

D
shut down shut up
G
twisted round
D
breathe in breathe out
G
like watersound

G D
breathing light
G D
breaking light

D
relief is painted on the eyes that I see
D
you changed you face before looking at me
D G
now I m scared to death

D

my vision blurred, now I can't see what's right

D

like counting stars on an Aurora night-

G

Bm

it don't matter much...

A

D

G

you're faceless anyhow

D

G

(this then keeps going until the end of the song)
