

## God Was Never On Your Side

Motrhead

**Em** **D**  
|If the s-|tars fall down on me,  
**Am** **Em**  
And the sun re-fuse to shine,  
**Em** **D**  
Then may the shackles be undone,  
**Am** **Em**  
May all the old words, cease to rhyme,  
**Em** **D**  
If the skies, turn into stone,  
**Am** **Em**  
It will matter not at all,  
**Em** **D**  
For there is no heaven, in the sky,  
**Am**  
Hell does not wait for our downfall,

Refrão:

**C** **G**  
Let the voice of reason shine,  
**Am** **Em**  
Let the pious vanish for all times,  
**C** **G**  
God s face is, hidden, all unseen,  
**Am** **Em**  
You can t ask him what it all means  
**C** **G**  
He was never on your side,  
**Am** **Em**  
God was never on your side,  
**C** **G**  
Let right or wrong, alone decide,  
**Am** **Em**  
God was never on your side.

**Em** **D**  
See ten thousand minis-tries,  
**Am** **Em**  
See the holy, righ-teous dogs,  
**Em** **D**  
They claim to heal, but all they do is steal,  
**Am** **Em**  
Abuse your faith, cheat and rob  
**Em** **D**  
If God is wise, why is he still,  
**Am** **Em**

When these false prophets, call him friend,

**Em** **D**

Why is he silent, is he blind?!

**Am**

Are we abandoned, in the end?

**C** **G**

Let the sword of reason shine,

**Am** **Em**

Let us be free of prayer and shrine,

**C** **G**

God's face is hidden, turned way,

**Am** **Em**

He never has a word to say,

**C** **G**

He was never on your side,

**Am** **Em**

God was never on your side,

**C** **G**

Let right or wrong, a-lone decide

**Am** **Em** **C**

God was never on your side! No, no, no!
