-----Versol-----

```

A                                C
If you squeeze my lizard
A                                C
I ll put my snake on you
A                                C
I m a romantic adventure
A                                C
And I m a reptile too

```
