

**No Wheels To Ride**  
**Mott The Hoople**

**G** **D/F#**  
No wheels to ride  
**G** **D**  
No wheels to travel  
**G** **D/F#** **Em** **A**  
No tracks to take on down  
**G** **D/F#** **G** **D**  
The road I walk is getting heavy  
**G** **D/F#** **Em** **A**  
But I must still go on  
**G** **D/F#**  
And in the night  
**G** **D**  
I hear the calling  
**G** **D/F#** **Em** **A**  
As the train goes by  
**G** **D/F#** **G** **D**  
Then all I hear is my footsteps falling  
**G** **D/F#** **Em** **A**  
Upon the tears I cry

**D** **D/F#** **G** **A**  
If I could find a better way to get to you  
**D** **D/F#** **G** **A**  
You know that I would  
**D** **D/F#** **G**  
No money lines my pockets now  
**A** **D** **D/F#** **G** **A**  
But by the spring you know that it should  
**D** **D/F#** **G**  
Well I just cant wait to catch that Greyhound bus  
**A** **D** **D/F#** **G** **A**  
That will take me back right to your side

**D**  
Can t get enough  
**D/F#**  
Can t get enough  
**G**  
Can t get enough  
**A** **D** **D/F#** **G** **A**  
I can t get enough of your love

**D** **D/F#** **G** **A** **D** **G** **D**

**G** **D/F#** **G** **D**
