

Grave Robbers  
Mount Eerie

C B4 Am C11 Em F  
Change your way of limping around the world

Am  
Cause you know what will come soon

Em  
A real broken leg

Am  
And you know this will come true

Em  
You cannot get away

C B4 Am C11 Em F  
Daylight, dawn and evening, around the world

Am  
And you know what will come to

Em  
Do I have to say?

Am  
Everybody will eat you

Em  
Everybody robs graves

C B4 Am C11 F  
And our ghosts stay forever confined

Em  
In wherever we haunt

Am  
And hopelessly want to

Em  
But cannot get away

Am B4 C C11 F Em  
And our bones do blow away in pink light
