

**You Swan Go On
Mount Eerie**

This is a very simple and beautiful song. Listen to the track to get the picking rhythm and just remember to accentuate the bass line.- Scott Melendez

Intro: **C**

C **Em** **Am** **G** **F**
As good as I could possibly imagine my life getting, it did

Em
After I met you
F **G**
The way you reached inside my chest and pulled out things and sent them off
Am
in breaths blew
C **Em** **Am** **G** **F**
And as good as it got with all the layers peeling off, and though I writhed
Em
I could not upset you
F **G**
With your hand down my throat you held on to my heart and pumped blood
Am
through

C **Em** **Am** **G** **F**
And then "it's time to go" you said, "it's time to go out
Em
You little gray goose
F **G** **Am**
Get out from under my wing" you said "go on you swan you turn loose"

C **Em**
Oh so "it's over"
Am **G**
Oh so "we died
F **Em** **F** **G** **Am**
Oh so "your hand on my heart pumping blood went limp" and oh, I fly
G
Oh swan inside.

Outro: **C, Em, Am, G, F**
