

**We Are
Mountain Heart**

We Are
By Mountain Heart

C

We are two ordinary souls
who walked that lonely road
For days and nights on end

C

And we searched a million faces
In all those lonely places
For the smile of one true friend

F **G**

What are the chances

C

Out in life s parade

F

Of two hearts embracing

G

In this masquerade

CHORUS:

C **F**

We are the ending of a prayer fulfilled

G **C**

We are the fire that others long to build

C **F**

A poet s vision that has come this far

G **C**

We dreamed of something real and now we are

C

We feel we are love s great design

G

Our thoughts can intertwine

C

Yet both of us are strong

C

And at times we ll stumble, there s no doubt

G

But we ain t wantin out

C

That thinkin don t belong

F

G

Heaven worked too hard

C

Too long to get us here

F

So we ll love each other

G

And just let Him steer

CHORUS

C

F

A poet s vision that has come this far

G

C

We dreamed of something real and now we are
