

We Are  
Mountain Heart

We Are  
By Mountain Heart

C#  
We are two ordinary souls  
G#  
who walked that lonely road  
C#  
For days and nights on end

C#  
And we searched a million faces  
G#  
In all those lonely places  
C#  
For the smile of one true friend

**F#** **G#**  
What are the chances  
**C#**  
Out in life s parade  
**F#**  
Of two hearts embracing  
**G#**  
In this masquerade

CHORUS:

<b>C#</b>	<b>F#</b>
We are the ending of a prayer fulfilled	
<b>G#</b>	<b>C#</b>
We are the fire that others long to build	
<b>C#</b>	<b>F#</b>
A poet's vision that has come this far	
<b>G#</b>	<b>C#</b>
We dreamed of something real and now we are	

**C#**  
We feel we are love s great design  
**G#**  
Our thoughts can intertwine  
**C#**  
Yet both of us are strong

**C#**  
And at times we ll stumble, there s no doubt  
**G#**  
But we ain t wantin out

**C#**

That thinkin don t belong

**F#**

**G#**

Heaven worked too hard

**C#**

Too long to get us here

**F#**

So we ll love each other

**G#**

And just let Him steer

CHORUS

**C#**

**F#**

A poet s vision that has come this far

**G#**

**C#**

We dreamed of something real and now we are
