

**We Are  
Mountain Heart**

We Are  
By Mountain Heart

**Bb**

We are two ordinary souls  
who walked that lonely road  
For days and nights on end

**Bb**

And we searched a million faces  
In all those lonely places  
For the smile of one true friend

**Eb**

**F**

What are the chances

**Bb**

Out in life s parade

**Eb**

Of two hearts embracing

**F**

In this masquerade

CHORUS:

**Bb**

**Eb**

We are the ending of a prayer fulfilled

**F**

**Bb**

We are the fire that others long to build

**Bb**

**Eb**

A poet s vision that has come this far

**F**

**Bb**

We dreamed of something real and now we are

**Bb**

We feel we are love s great design

**F**

Our thoughts can intertwine

**Bb**

Yet both of us are strong

**Bb**

And at times we ll stumble, there s no doubt

**F**

But we ain t wantin out

**Bb**

That thinkin don t belong

**Eb**

**F**

Heaven worked too hard

**Bb**

Too long to get us here

**Eb**

So we ll love each other

**F**

And just let Him steer

CHORUS

**Bb**

**Eb**

A poet s vision that has come this far

**F**

**Bb**

We dreamed of something real and now we are
