

**We Are
Mountain Heart**

We Are
By Mountain Heart

D

We are two ordinary souls

A

who walked that lonely road

D

For days and nights on end

D

And we searched a million faces

A

In all those lonely places

D

For the smile of one true friend

G

A

What are the chances

D

Out in life s parade

G

Of two hearts embracing

A

In this masquerade

CHORUS:

D

G

We are the ending of a prayer fulfilled

A

D

We are the fire that others long to build

D

G

A poet s vision that has come this far

A

D

We dreamed of something real and now we are

D

We feel we are love s great design

A

Our thoughts can intertwine

D

Yet both of us are strong

D

And at times we ll stumble, there s no doubt

A

But we ain t wantin out

D

That thinkin don t belong

G

A

Heaven worked too hard

D

Too long to get us here

G

So we ll love each other

A

And just let Him steer

CHORUS

D

G

A poet s vision that has come this far

A

D

We dreamed of something real and now we are
