[Verse 1]

C G D
Waved goodbye to the evening glow

C G D
In the fall's first fall of snow

C G D
There are brighter times ahead you know

C G D
Just gotta get through the off black winter in this god-forgotten hole

| | | | |
|----------------|-----|-----|------|

| Mhmmmmmmmmmmmm | mhm | mhm | [x2] |

[Verse 2]

C G D
The streets outside hold a silent war

C G D
Everybody knows, but not what for

C G D
We are prisoners to our thoughts

C G D
Shackled up within invisible walls

[Chorus]

C G D
I forgot the ringtone of my phone
