Now who will love?

Is this what you believe? Is this what you believe?

**Bb Fm**  
That no one loves No one to warm to

**G# Cm Bb**  
Does no one care?

**Fm Eb**  
Don't give up now

**Fm Eb**  
Don't give up the bit of blue sky

**Fm**  
You've got to go find it

Where all the lights shine brighter

Now no one calls No one will answer No one to fly with To hold a hand  
Now no one sings No one to run to Who heals the heart?
