

**Amnesia**  
**MoZella**

This Should Probably be capo d - figure out where your voice is and capo there.

**D** **A**  
Help me cause Im falling and I just can t see you

**C** **G**  
You came along and took a hold of me.

**D**  
You gave me sugar-coated valentines

**A**  
Promises that you were mine.

**C** **G**  
Tying up my line. Talking dirty to me.

**A7** **C** **A7**  
And all I need I thought I found.

**C**  
You only let me down you went sleeping around. around.

Chorus

**D** **A**  
I wanna go back to the day before I met ya.

**C**  
Things would be better

**G**  
If I could forget ya.

**D** **A**  
Somebody give me something strong so I can release ya.

**C**  
I double shot of amnesia

**G**  
Life could be sweeter (for me).

**D** **A**  
Everyone was saying what are you doing playin

**C** **G**  
With her heart when you don t care.

**D** **G**  
Shes much to young to string along put her back where she belongs.

**C** **G**  
Why you doing her wrong. its just not fair.

**A7** **C**  
And all I need is piece of mind

**A7**  
I wanna put it behind

**C**

Quit wastin my time. My time.

chorus

**A7** **C**

Yea you only let me down.

**A7** **C**

How you turn a girl around.

**A7** **C**

And now I need some piece of mind.

**A7**  
I want to put this behind.

**C**  
Stop wastin all my time.

chorus x2
