Mozella:Freezing

C#m **G#m** **F#** **G#m**
The clouds in the sky have covê-ered up my life
C#m **G#m** **F#** **G#m**
And the day just stays gray till its night
C#m **G#m** **F#** **G#m**
And the darkê-ness outê-side is a mirê-ror to my eyes
C#m **G#m** **F#** **G#m**
Cause my soul wont reflect any light

F# **G#m**
Oh, I cant lie, Im so lonely
F# **G#m**
Oh, make it right and just hold me

C#m **G#m**
Cause Im freezê-ing, theres no way to stay warm
F#
Don t you need me?
G#m
Left me out in the storm
C#m
How could you forê-get me
G#m **F#**
My sunê-shine has left me alone
G#m
You re so cold

C#m **G#m**
Freezê-ing, like when rain turns to snow
F#
Don t you need me
G#m
Like an old overê-coat
C#m
The seaê-sons may change
G#m **F#**
But the ice still remains in my soul
G#m
You re so cold

C#m **G#m** **F#** **G#m**
The chills down my spine are just memê-oê-ries of a time
C#m **G#m** **F#** **G#m**
Now Im haunted cause I thought you were mine

I just can't get away I've been frozen in one place
