

More Of You
MoZella

Intro: C#m - G#m - F#m

C#m G#m F#m
So it goes without saying that I m hooked on you
C#m G#m F#m
And by now I m out of my mind with this self-abuse
C#m G#m F#m
I guess should have looked out for myself
F#m
I guess that I could of found someone else
C#m G#m F#m
But I never met anyone who s loving made me so damn crazy

Chorus:

E
Every little thing that you do
G#m
Every single word you say
C#m
Every time you looking away
F#m G#m
You got me begging for more of you, more of you
E
Every time I m ready to go
G#m
Every time I think I m back in control
C#m
Something gets a hold of my soul
F#m G#m
And I m be begging for more of you, more of you
C#m
(I m begging for more of you, mmm, I m begging for more of you)

C#m G#m F#m
You re a door I can t close when I m running late
C#m G#m F#m
When I see you I know that I m tempting fate
C#m G#m F#m
I guess that I should move on with my life
F#m
Cause the state that I m in is just not right
