

If That What It Takes

Mr. Big

(parte 1)

C

Comfort me

F

From a world where no one cares

Dm

G

Where the words turn into cages

C

And memories cut like glass

C

I closed my eyes on you

F

Put the blames on myself

Dm

G

The weight is on my shoulders

C

Throw my heart in the wishing well

(parte 2)

Am

C

I ve got to face and tame my demons

Am

C

so hard to start over again,

yeah, I know.

Am

C

Through trials and tribulations

G

F

Salvation s like a long lost friend

(part 3)

C

G

I ll take back all of the hurt

F

C

For your love I ve taken for granted

G

F

I ll do anything to change

C

If that s what it takes

(parte 1)

No use in pretending

Ain t no pride in it all

A cure for independence

Is when you re standing in the cold

Have I used have I used my chances

Have my bridges all been burned

Give me a sign of inspiration
To find a stone that s left unturned

(parte 2)

Am **C**
I see a distant promise of Eden
Am **C**
Lifting my spirits so high
Am **C**
If I can break out of the circle
G **F**
Gonna kiss that carousel goodbye

(parte 3)

I ll take back all of the hurt
For your love I ve taken for granted
I ll do anything to change
If that s what it takes

(**C F Dm G C**)

(parte 2)

I ve got to see a promise of Eden
Lifting my spirits so high
If I can break, break out of the circle
Gonna kiss that carousel goodbye

C **G**
I ll take back all of the hurt
F **C**
For your love I ve taken for granted
G **F**
I ll do anything to change , baby
C
If that s what it takes
G
Take back all of the hurt
