

**Instant Messenger**

**Mr Hudson**

I didn't include all the chorus and verses since they contain the same chords.

intro: **C**            **G/B**        **Am**

Verse:

**Am7**        **G**            **Fmaj7**

say you found our love, in the warm Pacific spring  
cause I left our love in the desert to fend for itself  
(i thought it better that way)

**C**            **G/B**        **Am**

Did you get my text?  
Did i get my thoughts through?  
It's hard to see things clearly, through the gossip and the gloom

**Am7**        **G**            **Fmaj7**

I'm gonna blind our love, with the paparazzi flash  
I'm gonna squash our love, like an economic crash
