

F#m

G#m

Before you make the biggest mistake of your life

A

Just give me the chance to get it right

Verse 1:

C#m

They got it all
They've got all the things I thought I wanted

F#m

But I can't fall
To fake anymore
To live this facade and smile as the warm champagne pours

C#m

Out on the lawn we'll pretend we're having tonnes of fun in this world where we don't belong

F#m

Some bloke all alone
Is she thinking of me
Did she forget what we once had

Chorus

E **F#m** **G#m**
And I feel like taking off

A **E**
Let me be your supernova

F#m **G#m**
Before you make the biggest mistake of your life

A

Just give me the chance to get it right

Verse 2 [Yeezy]:

C#m

Oh they got it all you can see they got it all
They got the cars the boat and the beautiful house by the shore

F#m

And you know there's more
But I can't take another minute of y'all

C#m

He wants his kids and the dog

He wants his breakfast in bed
He's got his trust fund saved
Not a worry in his head

F#m

He's not you or me
I wanna break up the scene and see you running back to me

Chorus

E **F#m** **G#m**
And I feel like taking off

A **E**
Let me be your supernova

F#m **G#m**
Before you make the biggest mistake of your life

A
Just give me the chance to get it right

Bridge + Outro (repeat the chorus chord pattern for the rest of the song)

E **F#m**
You've got it wrong if you say our love is gone

G#m **A**
You've got it wrong if you say our love is gone

E **F#m** **G#m**
And I feel like taking off

A **E**
Let me be your supernova

F#m **G#m**
Before you make the biggest mistake of your life

A **E**
Just give me the chance to get it right, get it right
