They say a good book will rot your brains â€|Wait a minute
Oh yeah, I forgot, thatâ€™s television and video games.
They say that ice cream and cake will make me grow up so big and strongâ€|Wait a
minute
Oh yeah, I should eat fruits and vegetables all day long

C#m **Bm** **A**
I am so clearly confused
C#m **Bm**
But when I get like this
A
Thereâ€™s a snappy jingle that I like to use

E **A**
Eat your books and read your vegetables
D **A**
Take my advice if you wanna be respectable
E **A**
Pick your nose and never do your chores
D **D7**
Wait a minute now thereâ€™s a little bit more
D
Study really hard for your video games
E
And call your little brother all kinds of namesâ€|oh thatâ€™s not right

D **C#m** **Bm** **A**
They say I should stay inside and never go out to playâ€|Wait a minute
If I stay inside all day, my muscles will waste away
They say I should I pick on my friends as often as I canâ€|Wait a minute
If I pick on my friends theyâ€™ll probably leave and not come back again

C#m **Bm** **A**
I am so clearly confused

D **C#m** **Bm** **A**
 Oh no, I really made a mess of things this timeâ€|Wait a minute
 If I concentrate I know all words will just fall in line
 Iâ€™ll just say everything I know and Iâ€™m sure itâ€™ll turn out
 fine...thatâ€™s the ticket
 Everybody can help out, weâ€™re all gonna count down from 9

8, 7, 6, 5
 4, 3, 2, 1

Read your books and eat your vegetables
 Take my advice if you wanna be respectable
 Do your chores and never pick your nose
 Yeah, I got it now. I know thatâ€™s how it goes
 Study really hard cuz schoolâ€™s not a game
 And never call your brother any kinda of namesâ€|[amazed] I think I got it that
 time
