Monsters Have Better Things to Do
By: Mr Seley

Verse#1

You might think that there s a...

G **Em**
Monster in your couch cushions
C **D** **G**
Eatin up all of your change
You re afraid of the bathtub,
Cause there are monsters in the drain
Tiptoe down the hallway
Cause monsters live in the floor
You dive right under those warm, warm covers
Cause there are monsters right behind the closet door

Chorus:

C **D**
Your afraid that monsters
Em **D** **C**
Are gonna jump out and attack
C **D**
If they do,
Em **D** **C**
You know that I got your back
C **D**
But Iâ€™ll tell you this much is true
C **D** **G**
Monsters have better things to do x4

Verse #2

You find yourself...

G **Em**
Runnin up from the basement
C **D** **G**
So monsters don t nibble your toes
You wear a scarf to the garage
So the monster dudn t steal your nose
You never venture up in the attic
That s where the bats hang upside down
Chills are runnin down your spine
And you ll jump up high at the slightest sound

Chorus

Bridge:

C

They won't mess with you

D

There's not a ghost of chance

G **Em**

Monsters would rather go out and dance

C **D**

Live it up while the moon is full

G **Em**

Maybe even take a swim in your pool

C **D**

You're freaked out, but it's all groovy

G **Em**

All the monsters are out at the movies

C **D** **G**

Monsters have better things to do

C **D** **G**

Monsters have better things to do

C **D** **G**

Monsters have better things to do

Em

And it's alright

C **D** **G**

Monsters have better things to do

Em

Than keep you up at night

C **D** **G**

Monsters have better things to do
