

Goodnight And Goodbye
Mree

B Ebm
Oh how I love how the sun lays upon us
E B F#
Staining the inches of skin.
B Ebm
Oh says the clouds as they whisper above us
E B F#
Oh what a life it s been

E B F#
And all of the lies we ve lied
E B G#m F#
And all of the time thats timed our lives
E B G#m F# Emaj7 Emmaj7(add13)
How do we know whats wrong or right this time

G#m Ebm E B F#/B
When all of the trees falling down to the ground and
G#m Ebm E B F#/B
Fall to your knees like a child that is crawling
G#m Ebm FC B F#/B Emaj7 Emmaj7(add13) B
All the while we never stop to smile

B Ebm
Oh how she loves how the spring comes to greet her
E B F#
with lands overflowing with green
B Ebm
All of the drops pulling down till they meet us
E B F#
latching themselves onto me

E B F#
We may not have missed this time
E B F#
But then when they all run dry
E B G#m F# Emaj7
And that beautiful light that lights our eyes is gone
Emmaj7(add13)
What have we done?

G#m Ebm E B F#/B
When all of the trees falling down to the ground and
G#m Ebm E B F#/B
Fall to your knees like a child that is crawling
G#m Ebm E B F#/B Emaj7
All the while we never stop to smile

Emmaj7(add13)

Do we even care?

G#m Ebm E B F#/G

When all of the tears from her eyes have collected

G#m Ebm E B F#/B

Form in the sky and leave us unprotected

G#m Ebm E B F#/B Emmaj7

I can't fathom why we say goodnight

Emmaj7(add13) B

when we mean to say goodbye
