

Goodnight And Goodbye

Mree

D F#m
Oh how I love how the sun lays upon us
G D A
Staining the inches of skin.
D F#m
Oh says the clouds as they whisper above us
G D A
Oh what a life it s been

G D A
And all of the lies we ve lied
G D Bm A
And all of the time thats timed our lives
G D Bm A Gmaj7 Gmmaj7(add13)
How do we know whats wrong or right this time

Bm F#m G D A/B
When all of the trees falling down to the ground and
Bm F#m G D A/B
Fall to your knees like a child that is crawling
Bm F#m FC D A/B Gmaj7 Gmmaj7(add13) D
All the while we never stop to smile

D F#m
Oh how she loves how the spring comes to greet her
G D A
with lands overflowing with green
D F#m
All of the drops pulling down till they meet us
G D A
latching themselves onto me

G D A
We may not have missed this time
G D A
But then when they all run dry
G D Bm A Gmaj7
And that beautiful light that lights our eyes is gone
Gmmaj7(add13)
What have we done?

Bm F#m G D A/B
When all of the trees falling down to the ground and
Bm F#m G D A/B
Fall to your knees like a child that is crawling
Bm F#m G D A/B Gmaj7
All the while we never stop to smile

Gmmaj7(add13)

Do we even care?

Bm F#m G D A/G

When all of the tears from her eyes have collected

Bm F#m G D A/B

Form in the sky and leave us unprotected

Bm F#m G D A/B Gmaj7

I can't fathom why we say goodnight

Gmmaj7(add13) D

when we mean to say goodbye
