Goodnight And Goodbye Mree

DF#mOh how I love how the sun lays upon usGDAStaining the inches of skin.DF#mOh says the clouds as they whisper above usGDAOh what a life it s been

GDAAnd all of thelies we ve liedGDBmAnd all of thetime thats timed our livesGDBmAnd we knowwhats wrong or right this time

BmF#mGDA/BWhen all of the trees falling down to the ground andBmF#mGDA/BFall to your knees like a child that is crawlingBmF#mFCDA/BAll the while we never stop to smile

DF#mOh how she loves how the spring comes to greet herGDAwith lands overflowing with greenDF#mAll of the drops pulling down till they meet usGDAlatching themselves onto me

G D Α We may not have missed this time G D Α But then when they all run dry D Gmaj7 G BmΑ And that beautiful light that lights our eyes is gone Gmmaj7(add13) What have we done?

Bm F#m A/B G D When all of the trees falling down to the ground and F#m Bm G D A/B Fall to your knees like a child that is crawling Bm F#m G D A/B Gmaj7 All the while we never stop to smile

Do we even care?
