Fantasy by Ms Mr.

Dm **C**
Don t know what you think you saw
Em **G**
You didn t know at all
Dm **C** **Em** **G**
Lost sight of who you are
Dm **C**
Keen to make a connection
Em **G**
Forced myself into dimension
Dm **C** **Em** **G**
Lost sight of myself

Dm **C** **Em**
If I could force my heart, my ears, my mind
G
And eyes to get in line
Dm **C**
Maybe I ll find something real
Em **G**
Not a fantasy so divine
Dm **C**
Let myself down each time
Em **G**
Let myself down each time
Dm **C**
How could you be what I wanted to see?
Em **G**
How could you be what I wanted to see?
Dm **C** **Em** **G**
How could you be what I wanted to see? Uhhh,Uhh, Uhh
Dm **C**
When my reality
Em **G**
Could never live up, could never live up
Dm **C** **Em**
To the fantasy here in me.

(Is the same in the whole song)

Revolution from dissolution, hypnotizing and demoralizing
Pressure of the future, too much for today
How many hours will I let slip away
Before I realize existing and living
Are not the same

Are not the same

How could you be what I wanted to see?

How could you be what I wanted to see?

How could you be what I wanted to see?

When my reality

Could never live up, could never live up

To the fantasy here in me

How could you be what I wanted to see?

How could you be what I wanted to see?

How could you be what I wanted to see?

When my reality

Could never live up, could never live up

To the fantasy here in me
