

**Fantasy**

**MS MR**

Fantasy by Ms Mr.

**Dm** **C**  
Don t know what you think you saw  
**Em** **G**  
You didn t know at all  
**Dm** **C** **Em** **G**  
Lost sight of who you are  
**Dm** **C**  
Keen to make a connection  
**Em** **G**  
Forced myself into dimension  
**Dm** **C** **Em** **G**  
Lost sight of myself

**Dm** **C** **Em**  
If I could force my heart, my ears, my mind  
**G**  
And eyes to get in line  
**Dm** **C**  
Maybe I ll find something real  
**Em** **G**  
Not a fantasy so divine  
**Dm** **C**  
Let myself down each time  
**Em** **G**  
Let myself down each time  
**Dm** **C**  
How could you be what I wanted to see?  
**Em** **G**  
How could you be what I wanted to see?  
**Dm** **C** **Em** **G**  
How could you be what I wanted to see? Uhhh,Uhh, Uhh  
**Dm** **C**  
When my reality  
**Em** **G**  
Could never live up, could never live up  
**Dm** **C** **Em**  
To the fantasy here in me.

(Is the same in the whole song)

Revolution from dissolution, hypnotizing and demoralizing  
Pressure of the future, too much for today  
How many hours will I let slip away  
Before I realize existing and living  
Are not the same

Are not the same

How could you be what I wanted to see?

How could you be what I wanted to see?

How could you be what I wanted to see?

When my reality

Could never live up, could never live up

To the fantasy here in me

How could you be what I wanted to see?

How could you be what I wanted to see?

How could you be what I wanted to see?

When my reality

Could never live up, could never live up

To the fantasy here in me
