

keep my eyes open
my lips sealed
my heart closed
and my ears peeled

welcome to the inner workings of my mind
so dark and foul I can t disguise
can t disguise
nights like this I become afraid
of the darkness in my heart
hurricane

Am	Em(7?)	F
make	ash and leave the dust behind	
lady	diamond in the sky	
wild	light	
glowing	bright	
to	guide me	
when	I fall	
I	fall on tragedy	

welcome to the inner workings of my mind
so dark and foul I can t disguise
can t disguise
nights like this I become afraid
of the darkness in my heart
hurricane

End on **Am**

If you are unhappy with it I give you my permission to use it as a base to work out the song better, because I may be a bit off.
