but I knew I didn t see

what you thought

you saw in me

I jumped the gun

so sure you d split and run

ready for the worst

before the damage was done

the storm never came

or it never was

didn t know getting lost in the blue

~riff 1

it meant I wound up losing you

Bb

Dm7

Gm

welcome to the inner workings of my mind

so dark and foul I can t disguise

Bb

can t disguise

Dm7

nights like this

Gm

I become afraid

of the darkness in my heart

hurricane

what s wrong with me

why not understand and see

I never saw

what you saw in me

keep my eyes open

my lips sealed

my heart closed

and my ears peeled

welcome to the inner workings of my mind
so dark and foul I can t disguise
can t disguise
nights like this I become afraid
of the darkness in my heart
hurricane

Gm	Dm(7?)	Eb
make	ash and leave the dust behind	
lady	diamond in the sky	
wild	light	
glowing	bright	
to	guide me	
when	I fall	
I	fall on tragedy	

welcome to the inner workings of my mind
so dark and foul I can t disguise
can t disguise
nights like this I become afraid
of the darkness in my heart
hurricane

End on **Gm**

If you are unhappy with it I give you my permission to use it as a base to work out the song better, because I may be a bit off.
