didn t know what this would be

**G#4**

but I knew I didn t see

what you thought

you saw in me

I jumped the gun

so sure you d split and run

ready for the worst

before the damage was done

the storm never came

or it never was

didn t know getting lost in the blue

~riff 1

it meant I wound up losing you

welcome to the inner workings of my mind

so dark and foul I can t disguise

**B**

can t disguise

**Ebm7**

nights like this

**G#m**

I become afraid

of the darkness in my heart

hurricane

what s wrong with me

why not understand and see

I never saw

what you saw in me

keep my eyes open

my lips sealed

my heart closed

and my ears peeled
