Bitter Pill by Mt Desolation

Em Bm Am Em CMaj7 G D x2

It seemed so easy at the start
When I left my heart
Sitting on the roof of the car
And drove off
And I rushed to leave the past behind
Forgot that heart was mine
I didn't even know at the time
I had one

CMaj7 G Am Em CMaj7 G D

I put the pedal to the floor
Heading for the western shore
Thinking only of high times
I had there

Em Bm CMaj7 G CMaj7 Em A D

Oh I was cruel, cruel, cruel
I thought I'd fly too high to fall
But I never flew
Never left the ground at all

Em Bm Am Em CMaj7 G D

Greedy to get underway
I made that old mistake
Of sneering at familiar streets
And faces

CMaj7 G Am Em CMaj7 G D

Did you marry someone good
From our neighbourhood
Or are you on the other side of the world
Still searching

Em Bm CMaj7 G CMaj7 Em A D x2

Oh I was cruel, cruel, cruel
I thought I d fly too high to fall
But I never flew
Never left the ground at all, at all
So next time, time, time
I ll dream in days or on your mind
Look me up, cause I
Never left those days behind, behind

I ve done some things I never should have done
Now I ve come down, don t tell me that I m out of time
Turn back your love upon a pie-eyed fool
Forget the things I did

Em Bm CMaj7 G Bm CMaj7 Em A D x2

When I was cruel, cruel, cruel
I thought I d fly too high to fall
Cause I never flew
Never left the ground at all, at all
So next time, time, time
I ll dream in days or on your mind
Look me up, cause I
Never left those days behind, behind
